RUDOLF STEINER INSTITUTE

Teacher/Staff Grants Information

The Rudolf Steiner Institute offers generous grants for Waldorf teachers and staff members. For over twenty-five years, we have offered grants funded by the Waldorf Educational Foundation (WEF) and the Rudolf Steiner Institute. The Waldorf Educational Foundation is an organization interested in the advancement and improvement of Waldorf teaching.

Grants are awarded on a first come basis to teachers and staff employed at least half time at a Waldorf school for school year 2010-2011. *Note: Teachers working less than half-time are eligible for scholarship assistance. Contact the Registrar for information.*

Grants cover approximately **40%** of the cost of tuition, lodging (with double occupancy) and meals; you may supplement the grant with work-study. This allows you to participate fully in the community life of the Institute while providing needed help.

Work Study

To apply for work-study, indicate your interest on the catalog registration form. Please inquire whether your school has funds available to you through teacher development.

Teachers should submit applications on the form provided. Your application must be accompanied by \$250 non-refundable deposit. However, your deposit will be returned if grant funds are no longer available.

Please submit your application as soon as possible.

The maximum amounts of the Teacher/Staff grants are:

1-Week Program **\$480**

2-Week Program **\$820**
